REPORT 2023-2024

ACADEMIC ACHIEVEMENTS AND OVERALL RESULTS

Our School has been listed as one of the Great School- 'A GREAT PLACE TO STUDY'

- We focus on the holistic development of children with due attention to academics. The Class 10 Board Exams – always qualitative results & excellent subject averages unanimously showcase our students' exemplary performance.
- We adapt experiential learning and technology-oriented approach.
- Integration of scholastic subjects with co-scholastic subjects such as Art, Physical Education, Music and so on has made learning highly advanced and effective, thus yielding good results.
- Students participate in various activities, competitive exams and competitions organized at various levels by our school, by the CBSE and other organizations. The exposure received, builds confidence and gives our students' a moral boost, thereby enabling them to excel in academics.

Not to be overlooked is the fact that the difficult circumstances too have not hindered the students' participation in the umpteen activities conducted by / at school.

- Toppers of all grades have been acknowledged by the school & appreciated in a befitting manner.

Teachers team up with the special educator and the counsellor to elevate the performance of the students to greater heights.

ENVIRONMENTAL EDUCATION:

It is important that we cultivate enthusiasm and lose no opportunity to develop knowledge, understanding and concern for the ENVIRONMENT through school education.

ENVIRONMENTAL EDUCATION helps to encourage awareness of the environment and the processes in the physical and biological environments leading to informed concern for and active participation in resolving environmental problems.

AS A SCHOOL:

Environmental education connects us to the world around us. Whether we bring nature into the classroom, take students outside to learn or find impromptu teaching moments while on a nature walk, ENVIRONMENTAL EDUCATION has many benefits for students.

Some of the concepts covered in school are:

- Awareness of the immediate surroundings
- Importance of plants life
- Conserving forests resources
- Indigenous ways of protecting the environment
- Impact of deforestation
- Role of society in protecting nature
- Environmental laws and acts

Activities conducted at school:

- Environment Day (Go Green)
- National Science Day, Earth Day
- Awareness Programmes to save trees
- Water Day (Conservation of Water)
- Caring for the pet animals at school to develop a humane attitude towards all animals

ENVIRONMENTAL EDUCATION has three components at Venus International School -

- Education about the Environment
- Education for the Environment
- Education through the Environment

SCHOOL ACTIVITIES

The academic year begins in the month of June with the onset of an event that is eagerly looked forward to by all students - Elections for the school cabinet followed by Investiture ceremony. – The Investiture Ceremony, a solemn occasion where all the young elected students are prepared to don the mantle of leadership and discharge the responsibilities entrusted upon them by the school

5th June – World Environment Day - is the day for encouraging awareness and actions to protect our environment. 16th June – World Elder abuse Awareness Day -

Yoga and Music go hand in hand as they work to create balance and harmony between the body and soul. And so, on 21st June, the International Day of Yoga is celebrated to raise awareness among the students of the many benefits of practicing yoga.

The World Music Day is also celebrated on the same day to promote peace and spread goodwill through music.

Next, in the month of August we have the Independence Day celebrations, a cultural affair with scintillating performances by the students bringing forth the patriotic feelings in all. This year interesting activities were assigned to the lower grades as a part of the celebrations.

Competitions are rarely about winning or losing. They are only a learning experience for a better tomorrow. Keeping this in mind, Inter-Class and Inter-House Competitions are usually conducted in the month of July /August. These provide the students with an opportunity to unfold their hidden talents.

Sanskrit Diwas in August is a celebration of one of the most ancient languages in the world.

Besides being the celebration of the language, the day essentially speaks of the importance of learning and knowing the language, despite it not being as widely spoken as in ancient times.

5th September is celebrated as Teachers' Day as a recognition of the contributions made by teachers to society.

National Unity Day or Rashtriya Ekta Diwas is observed on 31st October every year to acknowledge the efforts of Sardar Vallabhai Patel to unite the nation.

Karnataka Rajyotsava is observed across the entire state with much enthusiasm on the 1st of November and we Sudarshanites too, uphold this tradition. This day is all about recognizing the splendour of the Kannada language.

'Children carry the hopes for a brighter tomorrow and the dreams of a happy future' - keeping this in mind Children's Day is celebrated on 14th November to increase awareness of the rights of children pertaining to care and education.

Samvidhan Diwas or Constitution Day is observed on 26th November to commemorate the adoption of the Constitution of India. It helps to spread awareness about the Indian Constitution among the students.

Sports Day is a chance for our children to showcase their sporting prowess, learn important lessons about competition and enjoy a happy, healthy dose of fresh air in the company of friends and parents.

Annual Day forms an integral part of our school activities. It is an occasion of celebration, felicitation, feast and festivity when students present not only their wonderful performances but also receive honours for their curricular and co-curricular achievements.

Therefore, the month of December calls for gaiety and fun in the form of either the School Annual Day or Annual Sports Day. These events are held alternately every year.

The Republic Day celebrations truly ignite the spirit of solidarity and the national pride. The online cultural programme was a medley of patriotic speeches, songs and dances.

Our school ended the academic year with a virtual lunch organised for Grades 1 and 2. Some of the other initiatives undertaken-

As a pedagogical initiative, CBSE has introduced Art- Integrated Learning in all its affiliated schools and keeping this mind, our school had taken up an Art Integrated Project for Grades 1-10.

A Sports Integrated Project was also made a part of the curriculum across the school.

Celebrations have shifted to online mode with a variety of events — ranging from cultural performances to literary activities planned digitally. And the fervour remains, inspite of us opting for the virtual route. Channelizing the creativity of students through online events makes all of this the 'new normal'.

The highlights of the activities conducted at our school :

1. Exposure of students to the proverbs, unique words through 100 sentences in the language of Karnataka
2. Drama on culture, history, tradition of paired state
3. Pledge on Swachhata/single use plastic
4. Cultural Fusion Competition (Folksongs/Dance)
5. Scrapbook activity with theme as Uttarkhand by students
6. Toy-making: Learning to make hand-made toys
7. Nukkad natak based on local theatre forms of paired state to create awareness about water conservation.
8. Virtual tours of the traditional water conservation methods of the paired state
9. Learning the indigenous sport of paired state
10. Integration of awareness and sensitivity towards environment, forest and wildlife protection, water conservation, physical fitness and health, gender sensitivity, ethics and values, resource conservation, sanitization and self/public hygiene etc.

SPORTS DETAILS

INTRODUCTION:

Sports is the epitome of hard work and success. It is a perennial source of optimism and a universal healer at grimmest times. Its incredible use in maintaining and improving physical ability with skills provides enjoyment as well as entertainment. Indeed, a person who is well-versed in both sports and education, achieves an overall and all-round development in life. It is also irrefutable that a person who engages in sports regularly, maintains a better physical shape, enthusiasm and energy level. Venus International School understands its worth much better, hence dedicates ample time in shaping physical fitness and mental power by offering numerous platforms for the development of sports.

ACTIVITIES AT SCHOOL:

- Sports at Venus International School is always educational. It contributes to the overall development of all students and not only athletes. Accordingly, students are offered the following sports activities at the campus.

- i. Athletics
- ii. Table Tennis
- iii. Badminton
- iv. Volleyball
- v. Kabadi

- **SPORTS DAY** is a regular event at **VENUS INTERNATIONAL SCHOOL**.

PARENT- TEACHER COMMUNICATION

Belief at Venus International School - Positive communication between parents and teachers assists in developing customized strategies that help each child to better his/her performance.

● PARENT -TEACHER MEETINGS

- *Availability of teachers to parents for interactions
- *Orientation programmes for parents by the respective class teachers followed by interactive sessions for valuable suggestions and feedback from parents
- *Scheduled parent- teacher meetings twice a month (with teachers handling scholastic as well as co-scholastic subjects)
- *Regular interactive sessions before and after the assessments
- *Early intervention and follow up by the Special Educator / Counsellor through meetings with parents of CWSN.
- *Virtual meetings
- * Awareness Programmes w.r.t Health & Hygiene.

● OTHER MODES OF COMMUNICATION

- *Parent Portal
- *School Face book
- *E-mail/Phone
